Dear Friends,

Summer has drawn to a close and soon there will be tractors and harvest vehicles taking up the roads and the harvest will fill the air with all those lovely allergens! But what would Iowa be without all of our great farmers, after all they *are* the ones who feed the people of the world! With harvest beginning that means Keith Larson (our handy dandy maintenance-do-it-all man) **will be busy in the fields...** so unfortunately our outings will be planned on short notice and might be at a minimum.

As your Life Enrichment Coordinator I look forward to the upcoming holidays... Halloween, Veterans Day, Thanksgiving, and Christmas they are all some of my favorite holidays! For Halloween we **will be having a "Halloween Monster Bash" with games, your favorite Halloween tunes, and of course what is a party without SNACKS!**

"Come little leaves!" Said the wind one day.

"Come to the meadows with me and play. Put on your dresses of red and gold; fore summer is past, and the days grow cold."

-George Cooper

Thank you,
Emily Weeks, LEC
