Elvera proudly presents this paper crepe dress to Teresa Minard. Elvera made the dress for her daughter to wear to a Christmas program. However, her daughter never got to wear it because she went into labor with one of her other children so the family had to miss the Christmas program.

In January, we kicked off the start of our Men's Club! The men are definitely enjoying doing "man things." They've even went on a couple bus rides. But they have something even better planned...tune in next month for pictures!
