\$1 MILLION RENOVATION PROJECT PLANNED FOR ARLINGTON PLACE OF POCAHONTAS RETIREMENT COMMUNITY

POCAHONTAS COUNTY – Arlington Place of Pocahontas, an established retirement community located at 101 NE 5th Street in Pocahontas, will soon be starting a \$1 million renovation project to better serve the needs of area seniors needing exceptional Assisted Living and Memory Care services.

Senior Housing Vice President, Allison Law, explains what the project will entail, “With this renovation, the building will undergo a major interior facelift. Not only will we be putting in new, high-end floor coverings and improving common area space in Memory Care, but an updated sprinkler system will also be installed. Additional parking will also be added for residents and their guests. We are looking forward to improving not only the community’s atmosphere, but also providing the safest home possible for the residents at Arlington Place of Pocahontas.”

The construction of the new addition will be conducted by HDC Development, LLC of St. Joseph, Minnesota. Cole Group Architects of St. Cloud, Minnesota, has developed the architectural drawings. Ground is expected to be broken by early summer, with the project being completed this fall. Senior Housing Management will continue operational
