POCAHONTAS COUNTY – Arlington Place of Pocahontas, an established retirement community located at 101 NE 5th Street in Pocahontas, has announced two informational meetings for the community’s \$1 million renovation project.

The informational meetings will be held on Wednesday, October 5th at 2:00 p.m., and Wednesday, November 11th at 6:30 p.m at Arlington Place of Pocahontas. “We are really excited to use these meetings as an opportunity to share our plans and progress with the public,” shares Allison Law, Senior Housing Management Vice President of Operations. “Anyone considering Memory Care or Assisted Living would benefit from attending these meetings to learn more about the options available right here in their community.”

The construction of the new addition will be conducted by HDC Development, LLC of St. Joseph, Minnesota. Cole Group Architects of St. Cloud, Minnesota, has developed the architectural drawings. The project is expected to be completed this fall. Senior Housing Management will continue operational oversight and planning throughout the project and beyond.
