Friends,

With a heavy heart I want you to know that I will be resigning my position as your Life Enrichment Coordinator at Arlington Place. I have decided to go back to school for a Master's Degree in Social Services. However, I will keep my position as a Resident Assistant throughout my schooling. I am very excited to hit the books once again and continue with a career I will enjoy for a long time! You all have been wonderful to me in my almost TWO YEARS as your "Activity Lady"!

The month of June has lots bring us... Flag Day, Father's Day, SUMMER and some pretty consistent weather. Hey, at least the snow is over and done with!

Emily Weeks  
Life Enrichment Coordinator

## HYDRATION STATION!

With the heat of the summer brings the necessity to DRINK PLENTY OF LIQUIDS! Arlington Place has a "hydration station" available to all on the snack table in the Dining Room. The cooks fill it daily, sometimes twice daily, with fresh ice cold water and sometimes they even put in fresh fruit! Check it out!

## Every Friday at 4:00 P.M.

Evelyn Stebbins will play piano and her friend Jean will sing for us in the Arlington Living Room! Thank you Evelyn!

## A Note from the Kitchen...

What a wonderful Mother's Day we had! We indulged in our famous roast beef, mashed potatoes and gravy, creamy corn, rolls, and several different kinds of pie which included my own secret recipe of sour cream raisin pie (a fan favorite)! The tables were lovely with the flower center pieces Keith picked out for us. Family and friends enjoyed the time spent with their loved ones. It was a grand day! I hope all of you mothers enjoyed your day! Memorial Day was a hit as well with our fresh off the grill burgers and dogs! Father's Day will be here before you know it!

Until next time,  
Pam Ehlers  
Dietary Coordinator

## National Nurses Week

We said "Thank you!" to our nurses Kathy Williams, RN and Pam Bradley, LPN during National Nurses Week with a cake and ice cream celebration, and beautiful flowers.
